Topic: Ontario Line and Non-Responsive
Forecast of Financial Implications of Delayed Tree Removal

Date: December 21, 2022

Issue

- Metrolinx CEO's office requested a high-level assessment of the financial implications of a delay to Ontario Line (OL) and Non-Responsive

Background

- OL has planned to remove trees at Osgoode Hall, Moss Park, Non-Responsive starting in January 2023
- Non-Responsive
- OL in place contracts and Non-Responsive are predicated on completing tree removals starting in January 2023 and February 2023, respectively.

Ontario Line

Tree removals are on the critical path for the South Civils and RSSOM contracts, including necessary utility relocations.
